

## Appendix B – Contractor Requirements and Product Purchasing Guide

If a contractor deems they have sufficient installation experience for a given product, they may be able to bypass approval requirements via the Attestation of Product Installation Experience on the last page of this document. If applicable, complete and return to [advancedenergycenter@sonomacleanpower.org](mailto:advancedenergycenter@sonomacleanpower.org).

Technology Type	Manufacturer	Technology Distributor	Pre-Requisites	How to Become an Approved Installer	How to Purchase (Only local distributors display address)
